Questions & Answers

How will I know when my enrollment in the SMCSD District Automatic Payment Plan has been activated?

You will continue to receive a bill, but once Automatic Payment is established on your account, your bill will state "DO NOT PAY- PAID BY DRAFT". The total amount of your bill will be deducted from your checking account or savings account on the 10th of the month. Please call with any questions.

How can I be sure that my Water and Sewer Bill has been paid? The statement from your financial institution will clearly identify each payment. Also, each copy of your utility bill from San Miguel CSD will reflect the last payment made by the Automatic Payment Plan. You can also view your bill at www.sanmiguelcscd.org "Pay Bill" (need to make an account with Web ID, that is located on the bill)

How do I cancel my enrollment? You can request cancellation of your enrollment in the Automatic Payment Plan at any time by Notifying the SMCSD in writing. It may take up to 15 working days to process the termination request.

What happens if my financial institution rejects my payment? Your bank may reject payments as a result of insufficient funds, closed/unauthorized accounts or other reasons. If your payment is rejected, the San Miguel C.S.D will charge an NSF fee of \$30.00 on your next utility bill. The San Miguel C.S.D reserves the right to terminate your participation in the Direct Automatic Payment Plan if your payment is rejected more than once within a 12-month period.
